Obligations on entry

Because of immigration laws, it is compulsory for immigrants who travel in or out of Holland (Schengen-country), to report at the duty officer at the immigrationpoint.

To ignore these instructions is a punishable offence.

Immigrants, entering from countries other than Schengen-countries mentioned here under, have to report on entering.

When you entered directly into the harbour of Vlissingen, Middelburg or Veere, you are requested to fill in the faxform CREWLIST, being a entry form, in triplicate and:

- send one form to the duty officer at the immigrationpoint at Vlissingen,
- 2 copies have to stay on board during your stay in a Schengen-country.

The faxform can be obtained from the harbour master.

Having filled in the CREWLIST, being an entry form, and having sent it away, you are considered to have fulfilled your obligation for entry into a Schengen-country.

When the harbour master is unavailable, we request that you make telephone contact with the immigration officer at the immigration point in Vlissingen.

Telephone number 0118 – 483400

There is a possibility of on board spot checks.

The indicated immigrationpoints for Zeeland are Vlissingen, (portable office) and Terneuzen (portable office)

The Schengen-countries are: Germany, Holland, Belgium, Luxembourg, France, Spain, Portugal, Austria, Italy, Greece, Danmark, Norway, Sweden, Finland, Iceland.
